## THE HEAT IS ON

Florrie Palmer & Tony Ashton

Tropical summer balmy day
Sit around you haven't much to say
'Cos the heat is on
The heat is on

You know you're in the hands of fate
Now you've gone and found me you appreciate
That the heat is on
The heat is on

You're on the road to Mandalay
Never gonna make it try another day
'Cos the heat is on
The heat is on

Temperature is rising to fever pitch
Sun is getting closer, we all get rich
'Cos the heat is on
The heat is on

Got hot pants and feet
Calculated madness sure feels sweet
The heat is on
Heat is on

Sun sun sun dazzle
Sun sun sun dazzle
Go wild gonna rattle
When the heat is on

Tropical summer balmy day
Don't say much ain't much to say
'Cos the heat is on
The heat is on

## CAN'T SHAKE LOOSE

Russ Ballard

I don't wanna stay here but I can't leave
I'm in the spell of the magic you weave
Somebody wake me up
I wish I could break it up
But I can't shake loose
Can't shake loose
I can t shake loose
Can't shake loose
Any move I make
In the end I will lose

I can't shake loose
I try and I try but it ain't no use
I could go like I did before
But these old shoes keep walking to your door

I wanna hide but when I hear you call
If I turn around I know I will fall
One step people shake
No matter what move I make
'Cos I can't shake loose
Can't shake loose
I can't shake loose
Can't shake loose
Any move ! make
In the end I will lose

I can't shake loose . . .

I don't wanna stay here
But you know I can't leave
Please let me go dear
Please let me leave
I can't shake loose

I can't shake loose
I can't shake loose
Any move I make
In the end I will lose
I can't shake loose
I try and I try but it ain't no use
I could go like I did before
But these old shoes keep walking
I can't shake loose . . .

## SHAME

David Clark Allen

It doesn't matter what you say
I don't believe you anyway
Talking love is easy when it's new
Slow down don't move so fast
This feeling may not last
I've been wrong before, haven't you
Don't cry to me
If she's just a fantasy
Shame, shame on you
You should know better
Than to play with a heart that's true
Shame, shame on you
You should know better
Than to do the things you do
Shame, shame on you
It doesn't matter what you say
I can't believe you anyway
The only thing that counts is what you do
Think twice before you leave
This is real, not make believe
The answer lies with you
So go with her if your body's sure
Shame, shame on you . . .
You're wasting my life
Play with hers
Someone's gonna lose
Yes I know who that is
Shame, shame on you . . .

## STAY

David Clark Allen

I know, you've been around
I don't mind
You know, I've been down
For such a long time
We both wanna care
Lonely hearts searching for someone there
We could have, should have
All the love we've waited to share
Stay, I want you to stay
Isn't it time we stopped running away
Stay, I want you to stay
Isn't it time we stopped running away
You know I need you
And I know that you need me too
Come close and look in my eyes
There's a light shining for you
Stay, I want you to stay . . .
Make up your mind, decide

We could be making love tonight
Tell me yes and not I might
Open the door it's gonna be alright
Make up your mind, decide
Open the door it's gonna be alright now
Stay, I want you to stay . . .

## ONCE BURNED, TWICE SHY

Dan Tyler & Richard Spady Brannan

Once burned, twice shy
I've learned, I've cried
And I'm never gonna hurt that way again
Once burned, twice shy
My heart I'll hide
If it's ever gonna have a chance to mend
Here he comes again
He wants to talk to me
And as he walks to me
I feel so empty inside
Oh, what can I say to him
He's the one who hurts me so
Tell him that he'll have to go
I've got no more tears to cry
Once burned, twice shy . . .
Someday he'll learn
Someday he'll get burned
And he'll say:
Once burned, twice shy . . .

## MR. PERSUASION

Susan Lynch & Larry Whitman

Now I made up my mind but it's
never too late
You can turn the tide in any conversation
You sway me when you say it that way
Ooh I imagine whatever you say
They call you Mr. Persuasion
'Cos you can talk me up and down
And all you do is tell me that
That's 'cos you're Mr. Persuasion
That's 'cos you're Mr. Persuasion
Now when you're on a roll you're a real
romancer
You got all the questions
and all the answers
You sway me when you say it that way
Ooh I imagine whatever you say
They call you Mr. Persuasion
'Cos you can talk me up and down
And all you do is tell me that
That's 'cos you're Mr. Persuasion
That's 'cos you're Mr. Persuasion
Now you could talk me into
almost anything you want to
'Cos you're Mr. Persuasion
You'd convince me day was night
You're never wrong you're always so right
Well I got a mind but I put in on vacation
That's 'cos you're Mr. Persuasion
Ooh how you sway me when
you say it that way

Ooh I imagine whatever you say
They call you Mr. Persuasion
'Cos you can talk me up and down
And all you do is tell me that
That's 'cos you're Mr. Persuasion
That's 'cos you're Mr. Persuasion

## WRAP YOUR ARMS AROUND ME

Mike Chapman & Holly Knight

Wrap your arms around me
When you're so far away
At the end of each day
Counting the moments till you fade away
Inside my soul
Under passion's control
Are feelings I can't find the words to explain
Just like the first time I'm helpless again
Wrap your arms around me
Let your love surround me
Make love to me now like never before
Wrap your arms around me
From the day you found me
You'll never be alone
The nights are so cold
With just your memory to hold
I've tried to be strong
Reaching out holding on
Alone in my bed
I cling to each word you said
Wanting you more every day we're apart
And each precious moment is safe in my heart
Wrap your arms around me . . .

## TO LOVE

Jill Brandt & Randy Goodrum

The thought of you beside me
Is doing more than just excite me
I never thought that I could feel like I do right now
I'd trade fame and fortune
For a magical potion
That would make you appear
Right here, somehow
Is this what it means to love
To feel something words can't even dream of describing
Is this what it means to love
Comparing something to it
No there ain't no way to do it
'Cause only a heart can understand what it means
To love
To love
I don't wanna live without you
I don't even wanna try to
But somehow I've got to make you feel the same

And I refuse to believe it
That you won't go along with it
What am I saying
There I go dreaming again

Oh, is this what it means to love
To feel something words can't even
dream of describing
Is this what it means to love
Honey comparing something to it
No there ain't no way to do it
And it's enough for me to stand right here
and dream
'Cause only a heart can understand
what it means
To love
To love

## I WISH TONIGHT COULD LAST FOREVER

Russ Ballard

It feels so good to be by your side
Oh darling let me be your guide
From tonight let's stay together
There's a blue moon up in the sky
Tonight, it's there for you and I
Darling, let my love surround you
Oh but I'm so glad I found you

I wish tonight could last forever
Oh darling can we stay together
From now on let's vow we'll never part
'Cos darling that will break my heart

And when the light brings tomorrow
Oh darling will it bring me sorrow
Will you let me hold you in this way
Oh I wish tonight could last forever

Tonight I feel it in the air
Just look around it's everywhere
Who knows where the night will lead us
Oh it feels so good to hold you tight
Hold you close without a soul in sight
We came together without warning
And stayed together 'til the morning

I wish tonight could last forever . . .

Oh it feels so good to hold you tight
To hold you close without a soul in sight
We came together without warning
And stayed together 'til the morning

I wish tonight could last forever . . .

## MAN

Agnetha Faltskog

You are beside me
I'm part of you now
Love of my life, this moment
Was made for us, somehow
Where did you come from
And how did it start
Was it a star from heaven
That brightened up my heart

That light keeps shining on me
Since you walked into my life
You're here

And now I can see
Whatever it takes
Take care of me
Man, don't make me cry
Don't let it die
'Cause deep inside I really know
That, after you
What would I do
So Man, don't ever go
I need you so
This love, this feeling's gonna grow
I love you
I do
That light keeps shining on me . . .
Man, don't make me cry
Why don't we try
'Cause deep inside I really know
That, after you
What would I do
So Man, don't ever go
I need you so
This love, this feeling's gonna grow
I love you
I do

## TAKE GOOD CARE OF YOUR CHILDREN

Tomas Ledin

Make your life worth living for
Make it into something good
Take good care of your children
Mothers and fathers
Show them that you love them
Take good care of your children
Sisters and brothers
We all need a little loving
Make our lives worth living for
Make it into something good
It's all here in our own hands
So we better think positive
Take good care of your children . . .
Take your time and do it right
Take it as a natural thing
The future's in the ones we love
So we better start to give
Take good care of your children . . .
Look at the kids
Look at them smile
Stop what you're doing
And listen to me for a while
Take good care of your children . . .

## STAND BY MY SIDE

Guido & Maurizio deAngelis & David Cowles

Sometimes I feel we're still together
Only a touch away
Memories of you I still remember
Words that you used to say
Used to say
Stand by my side, I need you near me

Feeling you close to me
Stand by my side, I see things clearly
You're all I ever need
Spending the time we had together
Loving you more each day
It was strong
Getting so much stronger
Now we're both apart

Stand by my side
There's so many things
I must tell you
Now I must try
To change the position
And make you stay
Stand by my side
What else must I do
To convince you
Now I must try
(Now I must try)

Faced with another situation
We wouldn't be the same
Waiting for some communication
Feelings are bound to change
Bound to change

Stand by my side, I need you near me . . .

Stand by my side
There's so many things
I must tell you
Now I must try
To change the position
And make you stay
Stand by my side
What else must I do
To convince you
Now I must try
Some other way
To make you change your mind

COMPACT disc DIGITAL AUDIO

**Das Compact Disc Digital Audio System** bietet die bestmögliche Klangwiedergabe – auf einem kleinen, handlichen Tonträger. Die besonderen Eigenschaften der Compact Disc resultieren aus der einzigartigen Kombination von digitaler Wiedergabetechnik und Laser-Abtastung.
Um die hohe Qualität der Compact Disc zu erhalten, sollte sie mit der gleichen Sorgfalt gelagert und behandelt werden wie die konventionelle Langspielplatte.
Eine Reinigung erübrigt sich, wenn die Compact Disc nur am Rande angefaßt und nach dem Abspielen sofort wieder in die Spezialverpackung zurückgelegt wird. Sollte die Compact Disc Spuren von Fingerabdrücken, Staub oder Schmutz aufweisen, ist sie mit einem sauberen, fusselfreien, weichen und trockenen Tuch (geradlinig von der Mitte zum Rand) zu reinigen. Bitte keine Lösungs- oder Scheuermittel verwenden!
Bei Beachtung dieser Hinweise wird die Compact Disc ihre Qualität dauerhaft bewahren.

**The Compact Disc Digital Audio system**
offers the best possible sound reproduction – on a small, convenient sound-carrier unit.
The Compact Disc's remarkable performance is the result of a unique combination of digital playback with laser optics. For the best results, you should apply the same care in storing and handling the Compact Disc as with conventional records.
No further cleaning will be necessary if the Compact Disc is always held by the edges and is replaced in its case directly after playing. Should the Compact Disc become soiled by fingerprints, dust or dirt, it can be wiped (always in a straight line, from centre to edge) with a clean and lint-free, soft, dry cloth. No solvent or abrasive cleaner should ever be used on the disc.
If you follow these suggestions, the Compact Disc will provide a lifetime of pure listening enjoyment.

**Le système Compact Disc Digital Audio**
permet la meilleure reproduction sonore possible à partir d'un support de son de format réduit et pratique.
Les remarquables performances du Compact Disc sont le résultat d'une combinaison unique du système numérique et de la lecture laser optique.
Pour obtenir les meilleurs résultats, il est indispensable d'apporter le même soin dans le rangement et la manipulation du Compact Disc qu'avec le disque microsillon.
Il n'est pas nécessaire d'effectuer de nettoyage particulier si le disque est toujours tenu par les bords et est replacé directement dans son boîtier après l'écoute. Si le Compact Disc porte des traces d'empreintes digitales, de poussière ou autres, il peut être essuyé, toujours en ligne droite, du centre vers les bords, avec un chiffon propre, doux et sec qui ne s'effiloche pas. Tout produit nettoyant, solvant ou abrasif doit être proscrit.
Si ces instructions sont respectées, le Compact Disc vous donnera une parfaite et durable restitution sonore.

**Il sistema audio-digitale del Compact Disc**
offre la migliore riproduzione del suono, inciso su un piccolo e comodo supporto. La notevole realizzazione del Compact Disc è il risultato di un'unica combinazione: la riproduzione digitale con l'ottica laser. Per ottenere i migliori risultati, nella conservazione e nel maneggio del Compact Disc si dovrebbe usare la stessa cura che per i dischi convenzionali.
Non sarà necessaria nessuna ulteriore pulizia, se il Compact Disc verrà sempre preso per il bordo e rimesso subito nella sua custodia dopo l'ascolto. Se il Compact Disc dovesse sporcarsi con impronte digitali, polvere o sporcizia in genere, potrà essere pulito con un panno asciutto, pulito, soffice e senza sfilacciature, sempre dal centro al bordo, in linea retta. Nessun solvente o pulitore abrasivo deve essere mai usato sul disco.
Seguendo questi consigli, il Compact Disc fornirà, per la durata di una vita, il godimento del puro ascolto.
